

Alberta Children's Hospital

GRANDPARENTS' STUDY

Are you a grandparent with a grandchild experiencing cancer?

We want to learn from you what this experience has been like!

The Kids Cancer Care Foundation of Alberta is funding a study with the University of Calgary and the Alberta Children's Hospital Hematology, Oncology, and Transplant Program to help understand your experience and to do our best to support you in it.

If you are interested in participating and able to come to Calgary for an interview, please contact the

**Principal Investigator of the project:
Dr. Nancy Moules
Faculty of Nursing
University of Calgary
