Please sign and date to confirm your gift

Signature \_\_\_\_\_ Date \_\_\_\_\_

**\*Reminders will be sent each year for your convenience**

Charitable tax receipts for annual gifts are issued at the time of your gift. Tax receipts for monthly gifts will be issued once a year in January

## Vision

A cure for every child, care for every family.

## Mission

The Kids Cancer Care Foundation is passionately dedicated to helping young people affected by cancer and their families survive and thrive in body, mind and spirit.

# a lasting legacy

# Yes I want to help children and families affected by childhood cancer heal in body, mind and spirit.

## I would like my gift to support

### Area of greatest need

By supporting the area of greatest need you:

- Ensure Kids Cancer Care programs are aimed at creating a strong, healthy community, providing educational opportunities for survivors all while focused on the overall health and wellness of kids and families
- Continue to create an environment brimming with opportunities for outdoor activities, enhanced learning, better treatments, personal growth and fun!

### Camp and Outreach programs

By supporting camp and community outreach programs you can:

- Provide a free week at camp for over 500 children each summer in a safe and nurturing environment
- Enable year-round programming, like Wednesday night pizza on Unit 1 at the Alberta Children's Hospital, that support kids affected by cancer and their families
- Give teens the chance to develop their confidence and leadership skills through our year-round Teen Leadership program
- Allows families the opportunity to come together, learn and grow at weekend family camps and retreats

### Hospital programs

By supporting hospital programs you can:

- Help parents develop a supportive network as they navigate their child's cancer
- Help the nurses help our families
- Create opportunities for kids in developing countries to hope for a cure by supporting an International Pediatric Oncology Resident

### Scholarship and Education Support

Your gift to scholarship and education support can:

- Help our kids succeed in primary and secondary school through tutorial help
- Provide access to educational and learning assessments
- Help parents learn to home-school their children when being in a classroom simply isn't an option
- Encourage survivors to continue their education

### Research

By supporting research you can help:

- Ensure treatments have fewer side effects and the least impact possible on the long-term health of children
- Explore psychosocial effects in order to create programs that help children and families through these dark days
- Find a cure for every child

Each year Kids Cancer Care needs to raise \$5M to ensure kids affected by cancer and their families have access to free programs and services.

**Thank you for your support!**
